OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 CFR 1.182, filed February 7, 2005 requesting issuance of a duplicate Letters Patent for the above-identified application with the correct spelling of the inventor's last name.

The petition is **GRANTED**.

A review of the Letters Patent issued on January 25, 2005, confirms that the inventor's last name was incorrectly spelled as MYLAR, rather than the proper MYLER, by the USPTO.

This matter is being referred to the Certificates of Correction Branch for issuance of the requested Certificate of Correction and a reprinting of the front page of the Letters Patent.

Any questions concerning the issuance of the Certificate of Correction should be directed to the Certificate of Corrections Branch at (703) 305-8309.
